

The purpose of this letter is recommend Mark Daly and the CBYA to the community about participation with the youth of the community in the game of basketball.

I have participated in the CBYA as both a coach and parent of two girls who play in the league.

As a parent I have enjoyed the league in watching how it is handled from the very first meeting of the year and watching the games on Saturday. Each game is started with a prayer in the middle of the court and the tempo of the game is handled in the same manner including the referees who work the games.

As a coach I have been involved in the league for 5 years and I have enjoyed every moment. Having a basketball league which is centered around Jesus Christ is just wonderful. All of the coaches in the league are very competitive but with a great heart for the benefit of the kids in mind. The league is very competitive but it stresses quality time and building relationships with your kids while watching each child develop.

I highly recommend joining the CBYA and participating in the game of basketball. If you do not know Mark Daly you need to. His heart is for the Lord and for the Kids. God bless his work.

Thank you  
Mike
